CLUB MEMBERSHIP 2009

The Management Committee of Armagh City F.C. has taken the decision to introduce a new membership scheme for 2009. Called the **GOLDEN EAGLES SUPPORTERS SCHEME** this will replace the **Full Membership** which had been available in previous years.

The reasons behind this change are:

- Increase number of members
- Get members more involved in the running and decision making in the club.
- Improve the benefits available to full members.
- Give more value for money to members through discounts, particularly at the bar.
- Increase support at home matches.
- Ensure benefits only apply to members of Golden Eagles Supporters Scheme.
- Increase revenue into the club through subscriptions and bar takings

Introduction of the new scheme will allow the club to increase bar prices to match those charged in local bars. However Members of the Golden Eagles Supporters Scheme will continue to enjoy "club prices" through a 15% discount off all bar purchases on production of their Golden Eagles Membership card. All others will pay the full price e.g. Pint of beer – non-members £2.70; members £2.30. Only the person named on the Golden Eagles Membership card can use it to obtain discounts or free entry to home league matches.

It is the intention of the Management Committee to increase bar prices from the 02nd March 2009, so we would urge anyone interested in becoming a member of the Golden Eagles Supporters Scheme and take advantage of the benefits, to complete an application form (available at the bar or from any Committee Member) as soon as possible.

Membership of the Golden Eagles Supporters Scheme will cost £10 per month, payable by Direct Debit, although arrangements can be made for cash payments to be made on a monthly basis. However review of membership subscriptions will be carried out on a monthly basis and anyone more than 1 month in arrears shall have their membership card suspended until all arrears are cleared.

A social club membership will still continue to be available at a cost of £25 per year, but this will only entitle the holder to be on the premises. They will not be able to take advantage of any of the other benefits provided by membership of the Golden Eagles Supporters Scheme, including discounts at the bar.

Full details of all the benefits available to members of the Golden Eagles Supporters Scheme can be found on the application form.
